ABOUT THE SCHOOL

Dr. K.N. Modi Global School operates under aegis of Dr. K.N. Modi Foundation which has a long legacy of excellence in education for over 7 decades.

Dr. K.N. Modi Global School stands for what education should be in the 21st Century.

Leadership qualities, Indian Values and positive thinking-- are combined here with an innovative, relevant and progressive approach to education.

Students are taught through various methods, mainly- "learning through doing and observing" Various kinds of educational tools are used for this purpose. Puppetry, dramatization, origami, activities and projects are well known devices here to facilitate learning. Exploration, problem solving, independent expression and decision- making are actively encouraged. The school has built a reputation to chisel well informed, confident and active learners with a strong sense of self. We prepare students to face the challenges of future by creating educational programs relevant to today's world.

VISION

To produce technically smart, intellectually sound and ethically progressive individuals capable of looking critically at micro and macro issues facing humanity and contributing seminally to progress, prosperity & peace within India and around the GLOBE.

MISSION

Aiming **HIGH** to **SCALE** the summits,
EXCELLENCE in **EDUCATION** of heart,
head and hand covering physical,
AFFECTIVE and Cognitive **DOMAINS**

OUR FOCUS

To help our students compete at the highest level, we put our focus on the following arenas:

- Making all out efforts to develop their communicative, interpersonal and problem solving skills
- Helping them to compete at inter-class, inter-house and inter-school level competitions to give them a competitive edge
- Providing opportunity for personal growth and development of children
- Encouraging them to set a higher aim and work towards it honing their leadership skills through initiative, group discussions and debating
- Ensuring a high level of self esteem by fostering an environment of love, understanding and mutual respect
- Promoting a stronger value system in them through self assessment, counseling and parental guidance.

METHODS OF TEACHING

Since teaching-learning has undergone a sea change in our age, the school uses the latest tools and methods providing the best educational practices selected from across the globe without missing on core Indian values.

- Activity based learner centered interactive classes
- Regular supervision of classes
- Monitoring of correction work
- Regular counseling to the students and their parents
- Performance feedback to parents
- Regular ERP (Enterprise Resource Planning) Services, Regular Online Attendance, Syllabus, Timetable, Messages, Notices, Transportation Details and Homework.
- Smart classrooms with latest technology
